

# Meerkat

## Coloring Page

### Coloring Tips:

Color the area just above the meerkat's eyes with light gray.

Use the light gray on the lower portion of the meerkat's face from the bottom of its eyes to the base of its neck.

Use a medium brown color on the top of the meerkat's head and toward the outside of its eyes.

Use a light brown color to highlight the bottom portion of the meerkat's front legs.

Use the light brown on the tops of the meerkat's toes.

Use a mixture of medium brown and gray to color the rest of the meerkat's fur.

Add contrasting background colors.
