

Sparrow

Coloring Page

Coloring Tips:

Color the area above the sparrow's eye with light and medium gray.

The area below the sparrow's eye and the lower portion of its body should also be colored with a mixture of light and medium gray colors.

The legs and claws of the sparrow should be a medium brown color.

Color the feathers on the top and rear portion of the sparrow's head lightly with dark brown.

Color the feathers in the wings of the sparrow gently with medium brown.

Color the sky blue.
